Dear Alumni,

The Reunion Committee has made the difficult decision to not conduct a 55-year class reunion, which would have normally occurred during 2022. We know that this will come as a disappointment to many who were looking forward to attending. Currently, the Committee does not intend to postpone the 55-year reunion for a later year.

We feel this is the right decision considering the continued risk the Covid-19 virus could pose to attending classmates, spouses, and other local attendees.

Please share this information with class members for whom we may not have current contact information. Also, please share with the Committee contact information you have that is more recent than shown in the attached Alumni Directory that was updated with information received at and following the 50-year Reunion.

The Reunion website <http://bellevue1967reunion.weebly.com> was revised to reflect this announcement. Please continue to use the website to find classmate contact information, to view photographs from prior reunions, find out other Class of 1967 information, and contacting the Committee using the Contact Us page. You can also contact the Committee using the email bellevue67reunion@gmail.com.

Our sympathies to those who have been affected by the Covid virus.

Take care of yourselves.
